BATP e-ZINE

Volume 2, Issue 1

January 2010

Dear Friends,

Time and time again, the greater Bay Area comes together to improve the lives of others. Bay Area Turning Point would like to thank the entire community for participating in the 2009 Christmas Store. What an honor it is that the community chose our work to support!

Because of the generosity of so many, every child residing within the BATP shelter and every child benefiting from BATP non-residential services received a handsome selection of gifts. All in all, it's approximated that over 300 women and children benefited from the drive.

May your families be blessed throughout the New Year!

Sincerely,

Bay Area Turning Point Staff

Violence Prevention Committee

One in three women worldwide will be beaten, raped, coerced into sex or otherwise abused in her lifetime. The women are our mothers, daughters, sisters, friends, and colleagues. They are rich and poor, young and old, all ethnicities, from across the world and the country. The violence against them—domestic and sexual violence, stalking and other forms of abuse—seeps into schools and workplaces. The results are often absenteeism and physical and mental illnesses. Violence seeps through communities, impacting law enforcement, court systems and healthcare. Violence ripples through families, causing the cycle of violence to continue from one generation to the next.

Join the Bay Area Turning Point's Violence Prevention Committee. Regular committee meetings will be held on the 3rd Thursday of every month from 5:30-6:30 at the Bay Area Turning Point Crisis Intervention Center.

The next 3 meeting dates are as follows:

1/21/10
2/18/10
3/18/10

For more information, please call Ashley McDonough at 281-338-7600 ext. 2116 or email amcdonough@bayareeturningpoint.com
