FRIENDS AUXILIARY MEMBERSHIP ENROLLMENT

Welcome to the Friends Auxiliary of Bay Area Turning Point. The purpose of the Auxiliary is to support the mission and goals of Bay Area Turning Point through fundraising activities, hands-on activities, special projects, and to represent the agency in a positive manner within the community. We are advocates for every person to live free of abuse and violence. Bay Area Turning Point serves our community by providing shelter; non-residential crisis intervention services; 24-hour hotline; victim accompaniment to police, courts, the district attorney's office and the emergency room; counseling; legal advocacy; violence prevention workshops; career guidance, and community awareness. The Friends Auxiliary and Bay Area Turning Point work in partnership to make our community a safer place to live for all of its residents. Your participation with the Friends Auxiliary will not only help to save and to change many lives, you will meet new people and have opportunities to share common goals with others.

Membership fee is \$35.00 annually and due each January. The Friends Auxiliary membership meetings are announced in advance and communicated to members through emails, newsletters and/or telephone contact. Meetings may occur during lunchtime or evening so that we can accommodate the schedules of our diverse membership. When meetings include a meal, members are asked to RSVP to facilitate effective planning. Members who RSVP but do not show up are asked to help us be good stewards of our funds by reimbursing the agency for the cost of their reserved meal.

Please help us to know you better by completing the information below, save the top portion for yourself.
